

# CAPABILITY STATEMENT

**TEaM Works!**

**Huntsville, Alabama**

**[www.teamworkmodeling.com](http://www.teamworkmodeling.com)**

## Our Business Management Services focus on two goals

- We help teams get on the same page, for better performance
- We help companies document and improve their processes, for optimal efficiency

## Core Competencies: Leveraging Mental Models for Success

### Team Building and Consolidation

- ◆ Jump-starting new teams
- ◆ Getting team members on the same page for coordinated progress
- ◆ Helping innovation teams become more creative

### Process Capture and Process Development

- ◆ Modeling team processes to facilitate efficient teamwork
- ◆ Documenting organizational processes with the goal of streamlining or assessment
- ◆ Comparing official process models to actual processes

### Codes

DUNS 080614176  
NAICS 541611, 611430  
CAGE 7V7N0  
Majority woman owned

## Past Performance

- ◆ Successfully modeled team processes in 10% of the time typically taken for process capture
- ◆ Improved team performance when team members created models of their processes together
- ◆ Types of Teams with whom we have worked

Innovation Teams

Project Teams

Engineering

Software

Research

Business Service Teams

Human Resources

Information Technology

### Company Data

A new company based in Huntsville Alabama, TEaM Inc. was founded by 4 UAH professors and is an affiliated licensee of UAH.

As an interdisciplinary team themselves, the founding partners (PhDs and PEs) have conducted research together on teams and team performance since 2002.

### Differentiators

- ◆ Evidence-based principles derived from research used to facilitate teamwork
- ◆ Face-to-face workshops designed to yield unbiased, data-driven results
- ◆ Members work in pairs or larger groups to create models of their processes
- ◆ User-friendly, customizable software for teamwork modeling and process capture
